## Memorandum

---

**To:** Chief Academic Officers and Provosts

**From:** Dr. Paula Compton, Associate Vice Chancellor, Ohio Articulation and Transfer Network

**Date:** May 8, 2020

**Subject:** Announcement of Learning Outcomes for Ohio Transfer Module TMM021 (Mathematics in Elementary Education I) and TMM022 (Mathematics in Elementary Education II)

---

Dear Provosts and Chief Academic Officers:

Please see the attached memo from Dr. Ricardo Moena, faculty lead for the Ohio Transfer Module Mathematics, Statistics, and Logic Review Panel/Subgroup 2, announcing learning outcomes for Mathematics in Elementary Education I (TMM021) and Mathematics in Elementary Education II (TMM022) in the Ohio Transfer Module. Also attached includes a copy of the learning outcomes for TMM021 and TMM022. Please send this information to the appropriate staff and faculty on your campus.

We are grateful for the good work of Dr. Ricardo Moena and the faculty.

Thanks for your continuous help and support with the Ohio Articulation and Transfer initiatives.

Sincerely
